

**August 26th, 2019**

The Wellington Dukes and 99.3 County FM, Prince Edward County's volunteer driven non-profit community radio station, are thrilled to announce they will be continuing their partnership for the 2019-20 season. 99.3 County FM and the Dukes will include working together on a number of Community projects throughout the year... and of course, providing radio coverage of road games. The Dukes consistently draw hundreds of hometown fans.

99.3 County FM will continue is the official voice of the Dukes, with play-by-play provided by former OHL broadcaster and County FM News Leader Craig Foster. Craig grew up around the Dukes franchise, and even played his own minor hockey in Wellington. The production team has included Senior Production Lead Pat Larkin, Ken Murray, and Mark Despault.

Randy Uens, President of Hockey Operations - "We're thrilled to have County FM on board, especially that 99.3 has again committed to broadcasting playoff games. I think County FM has contributed greatly to the overall excitement around the Dukes, and we're excited to have Craig Foster as our on-air voice again this season. Our feedback from last season was very positive."

Craig Mills, GM of 99.3 County FM "The Dukes broadcast fits the station's mandate beautifully... to 'connect the county'. We are pleased and proud to once again broadcast all weekend road games beginning Sept 8th, and all road playoff games."

99.3 County FM delivers the broadcasts to Prince Edward County and beyond at 99.3 FM and you can tune in anywhere around the globe at [www.993countyfm.ca](http://www.993countyfm.ca)
